

**DOCTOR HOG'S
(MICRO SOFTWARE)**

ROADY TOAD

FOR TEXAS INSTRUMENTS
TI99/4A WITH
EXTENDED BASIC CARTRIDGE

ROADY TOAD

In this fast moving graphics game you must try to hop your toad to the other side and land on the lily leaf.

But mind those cars and keep out of the water !

You may use joystick or keys E,X,S and D to hop up, down, left or right.

If you have a speech synthesizer you will hear your toad talk.

GOOD LUCK
